PAYMENT AND INSURANCE FILING

Payment is requested at the time of service unless other arrangements are made prior to treatment. Payment may include a co-pay or estimated patient balance depending on your insurance type. Payment can be made by cash, check, MasterCard or Visa. We bill your insurance carrier solely as a courtesy to you. You are responsible for the entire bill when services are rendered. **If your insurance carrier does not remit payment within 60 days, the balance will be due in full from you.** In the event that your insurance company requests a refund of payments made, you will be responsible for the amount of money refunded to your insurance company. If any payments are made directly to you for services billed by us, you recognize an obligation to promptly remit same to Advanced PT. The above does not apply for those patients that are considered Workers' Compensation; however, be advised if you claim W/C benefits and are subsequently denied such benefits, you may be held responsible for the total amount of charges for services rendered to you.

I understand and agree that if I fail to make any of the payments for which I am responsible in a timely manner, I will be responsible for all costs of collecting monies owed, including court costs, collection agency fees and attorney fees.

Advanced PT cannot treat patients on a contingency basis; therefore, where legal cases are pending settlement, we require that the full charge be paid at the time of treatment unless prior arrangements have been made and documented.

CONSENT FOR TREATMENT AND AUTHORIZATION

I do hereby consent for treatment at Advanced Physical Therapy. I authorize Advanced PT to release medical and supporting documentation of same as compiled in my medical record during this treatment or subsequent treatments for purposes of benefit payment. I further authorize my insurance benefits to be paid directly to Advanced Physical Therapy, LLC when indicated on claim. I understand I am financially responsible for the services I received.

Advanced Physical Therapy strives to provide the highest quality of care while attempting to accommodate each patient's schedule. Therefore, we provide each patient a reserved time slot with a specific therapist in order to minimize wait time and assure continuity of treatment. Consistent attendance and adherence to the planned treatment regimen is paramount to your care and recovery.

While we are sensitive to the fact that an emergency may occur, cancellations, tardiness, and absences reduce our ability to accommodate the scheduling needs of our patients. As such, we request your full cooperation with the following company policy:

- For cancellations please call us at least **24 hours** prior to your appointment time.
- There is a **\$50.00 fee** charged if you do not attend your appointment and do not call to cancel at least 24 hours prior to your appointment time.
 - Future appointments will not be made until this fee is paid.
 - *This fee is your personal responsibility and **will not** be billed to or paid by your insurance company*
 - Two consecutive absences without advanced notification may result in the cancellation of all your remaining appointments.
 - Repeated failure to comply with this policy will result in your appointments being scheduled based on availability, which will require you to call for an appointment of the day you would like to receive therapy.

By signing below you acknowledge that you have read and understood this cancellation policy and agree to comply with it as written.
